INVITATION TO BIDDERS #2024-01  
INDUSTRIAL PARK DRIVE IMPROVEMENTS  
RESPONSE TO CLARIFYING QUESTIONS  
March 7, 2024

Note that these are questions submitted by interested firms to this solicitation. The below answers are for clarification purposes only and in no way alter or amend the BID as published.

1. **QUESTION:** On the drawings on Sheet E1.0 under the Luminaire Schedule for ID Tag SL-2 the remark says, "Luminaires from existing spare inventory furnished by Oregon Tech." So, are the (8) SL-2 luminaires going to be provided by Oregon Tech, and the (5) SL-1 luminaires going to be provided by Contractor? There was just conflicting information about the light heads from what was said in the pre-bid meeting versus what is mentioned on the drawings.

**ANSWER:** All luminaries, SL-2 and SL-1, are to be contractor furnished/contractor installed (CFCI).
