**Southern Oregon University  
Cascade Complex Demolition  
ITB 2025-13  
December 10, 2024**

**Addendum #2**

This Addendum together with ITB 2025-13 (including 3 attachments) and Addendum #1 (including 3 attachments) form the Contract Documents. The following clarifications, changes, additions and deletions hereby become part of the Contract Documents. The original solicitation documents remain in full effect unless specifically modified by this Addendum.

**1. Clarification**

SOU does not require Bid Bond for this project. 100% Performance and Payment bonds are required after contract award.

**2. Clarification**

Import/placement of topsoil, finish grading, and seeding are not part of the work scope.

**3. Clarification**

Topsoil stripping or stockpiling is not required *except* at locations where crushed, recycled aggregate fill is placed and compacted.

Enclosures: none

**End of Addendum #2**
