

Addendum # 1
Henry Street Property Sale
Questions and Answers

Q1. Can information on the demolition cost be sent out?

- A. Based upon information provided by SOU to the appraiser, our estimated demolition costs for the Henry Street property would be approximately \$140,000. The estimated cost assumes that all structures would be leveled and not retained for future building uses.

Q2. Are interior photos available for the houses on site?

- A. Please see the addendum #2 for pictures and additional details.
