

REQUEST FOR PROPOSALS #2025-03
OMIC R&D EQUIPMENT INSTALLATION
RESPONSE TO CLARIFYING QUESTIONS
August 7, 2025

Note that these are questions submitted by interested firms to this solicitation. The below answers are for clarification purposes only and in no way alter or amend the solicitation as published.

1. QUESTION: In reading your order form on the HM1000, page 4 there is a machine installation fee included in the purchase, can OMIC R&D confirm with them if they are installing the machine aside from the rigging?

ANSWER: The installation work required on this contract will be complete after the machine is set in place, hard-shimmed and grounded by the contractor. Any subsequent work done by Ellison Technologies is unrelated to this contract.
