1. ANNOUNCEMENT AND SPECIAL INFORMATION

Quoters are required to read and understand and comply with all information contained within this Request for Quotes (“RFQ”). All quotes, including any price quotations, are binding upon quoter for sixty (60) calendar days from the Quote Due Date. All payments for services will be paid in accordance with Oregon Revised Statutes (ORS) 293.462. Quotes received after the Quote Due Date/Time indicated above will not be considered, unless it is in the best interest of the university to do so. If authorized in this RFQ, resulting contract, travel, and other expenses will only be reimbursed in accordance with the Oregon Institute of Technology (“Oregon Tech”) Contractor’s Travel Reimbursement Policy in effect at the time the expense is incurred.

It will be the responsibility of the quoter to refer daily to the Oregon Public Universities Business and Bid Opportunities website (<https://www2.wou.edu/nora/orpu.bid.home>) to check for any available addenda, response(s) to clarifying questions, cancellations, or other information pertaining to this RFQ.

2. SCOPE

The purpose of this RFQ is to retain the services of a professional firm to conduct an economic impact analysis for Oregon Tech for the 2025 or 2026 calendar year, depending on data availability, using an Input-Output Model, such as IMPLAN, and will work with the university’s designated project coordinator on the study design. The selected firm will produce a comprehensive report that describes the economic impact of the institution, including impacts on each campus region (Klamath Falls and Wilsonville, and to a lesser extent the Oregon Manufacturing Innovation Center (OMIC)) as well as the state of Oregon, and will collaborate with the university’s project coordinator on the format and contents for the report, including an executive summary.

As the state of Oregon’s official polytechnic university, the analysis should include qualitative and quantitative measures on direct, indirect, and induced effects on the region’s economy. The economic impact analysis should measure or estimate the change in economic activity caused by Oregon Tech’s

purchasing, salaries, student spending, capital projects, and other relevant factors, while reflecting the economic value Oregon Tech accounts for in the state.

Responses should have detailed descriptions, including methodology, deliverable, timeline, and cost (where applicable), for the following specific areas:

- A. Description and overview of model and work plan;
- B. Data collection process (type and resources needed);
- C. Data analysis methodology;
- D. Economic modeling methodology; and
- E. Final report, including deliverables and timeline.

Schedule

The final timing and sequence of events resulting from this RFQ will be ultimately determined by Oregon Tech. The following schedule is illustrative of optimal timing goals:

- a. Contract finalized with the successful quoter in early October 2026
- b. Work to commence immediately following the finalization of the contract
- c. Final work product ideally completed by mid-December 2026

3. QUOTE

Quotes should be short and concise with the following information:

- A. Company experience in these types of projects;
- B. Experience of staff who will work on the project;
- C. Total not-to-exceed price to complete the project, including a breakdown of the not-to-exceed fee and the not-to-exceed reimbursable expenses;
- D. References;
- E. Estimated time to complete the project; and
- F. Any additional information that Oregon Tech should take into consideration for the project or qualifications.

4. EVALUATION

Quotes will be evaluated based on subjective factors, including but not limited to the following: company experience, staff experience, not-to-exceed price for the inventory, references, and proposal to complete the inventory (including timeline).

Any requested attachments must be submitted with the quote and in the required format. Quote prices must be for the unit indicated on the quote. Failure to comply with all requirements may result in quote rejection.
3. **ADDENDA:** Only documents issued as addenda by Oregon Tech serve to change the RFQ in any way. No other directions received by the quoter, written or verbal, serve to change the RFQ document. NOTE: IF YOU HAVE RECEIVED A COPY OF THE RFQ, YOU SHOULD CONSULT THE OREGON PUBLIC UNIVERSITIES BUSINESS AND BID OPPORTUNITIES WEBSITE (<https://www2.wou.edu/nora/orpu.bid.home>) TO ENSURE THAT YOU HAVE NOT MISSED ANY ADDENDA OR ANNOUNCEMENTS. QUOTERS ARE NOT REQUIRED TO RETURN ADDENDUMS WITH THEIR QUOTE. HOWEVER, QUOTERS ARE RESPONSIBLE TO MAKE THEMSELVES AWARE OF, OBTAIN, AND INCORPORATE ANY CHANGES MADE IN ANY ADDENDUMS ISSUED, AND TO INCORPORATE ANY CHANGES MADE BY ADDENDUM INTO THEIR FINAL QUOTE. FAILURE TO DO SO MAY, IN EFFECT, MAKE THE QUOTER'S QUOTE NON-RESPONSIVE, WHICH MAY CAUSE THE QUOTE TO BE REJECTED.
4. **USE of BRAND or TRADE NAMES:** Any brand or trade names used by Oregon Tech in the specifications are for the purpose of describing and establishing the standard of quality, performance, and characteristics desired, and are not intended to limit or restrict competition. Quoters may submit quotes for substantially equivalent products to those designated unless the RFQ provides that a specific brand is necessary because of compatibility or other requirements. All such brand substitutions shall be subject to approval by Oregon Tech.
5. **PRODUCT IDENTIFICATION:** Quoters must clearly identify all products quoted. Brand name and model or number must be shown. Oregon Tech reserves the right to reject any quote when the product information submitted with the quote is incomplete.

7. **DELIVERY:** Delivery time must be shown in number of calendar days after receipt of purchase order.
8. **EXCEPTIONS:** Any deviation from quote specifications, or the Oregon Institute of Technology Professional Services Contract, attached and incorporated herein as **Exhibit A**, may result in quote rejection.
9. **SIGNATURE ON QUOTE:** Quotes must be signed by an authorized representative of the quoter. Signature on a quote certifies that the quote is made without connection with any person, firm or corporation making a quote for the same goods and/or services and is in all respects fair and without collusion or fraud. Signature on a quote also certifies that the quoter has read, fully understands, and agrees to be fully bound by and comply with all quote specifications, and the Oregon Institute of Technology Professional Services Contract, attached as **Exhibit A**, (including

insurance requirements). No consideration will be given to any claim resulting from quoting without comprehending all requirements of the RFQ.

- 10. QUOTE MODIFICATION:** Quotes, once submitted, may be modified in writing before the time and date set for quote closing. Any modifications should be signed by an authorized representative, and state that the new document supersedes or modifies the prior quote. Quoters may not modify quotes after quote closing time.

QUOTE EVALUATION AND AWARD

- 1. PRIOR ACCEPTANCE OF DEFECTIVE PROPOSALS:** Due to limited resources, Oregon Tech generally will not completely review or analyze quotes, which fail to comply with the requirements of the RFQ or which clearly are not the best quotes, nor will Oregon Tech generally investigate the references or qualifications of those who submit such quotes. Therefore, neither the return of a quote, nor acknowledgment that the selection is complete shall operate as a representation by Oregon Tech that an unsuccessful quote was complete, sufficient, or lawful in any respect.
- 2. DELIVERY:** Significant delays in delivery may be considered in determining award if early delivery is required.
- 3. CASH DISCOUNTS:** Cash discounts will not be considered for award purposes unless stated in the RFQ.
- 4. PAYMENT:** Quotes which require payment in less than thirty (30) days after receipt of invoice or delivery of goods, whichever is later, may be rejected.
- 5. INVESTIGATION OF REFERENCES:** Oregon Tech reserves the right to investigate references and or the past performance of any quoter with respect to its successful performance of similar services, compliance with specifications and contractual obligations, and its lawful payment of suppliers, sub-contractors, and workers. Oregon Tech may postpone the award or execution of the contract after the announcement of the apparent successful quoter in order to complete its investigation. Oregon Tech reserves the right to reject any quote or to reject all quotes at any time prior to Oregon Tech's execution of a contract if it is determined to be in the best interest of Oregon Tech to do so.
- 6. METHOD OF AWARD:** Oregon Tech reserves the right to make the award by item, groups of items, or entire quote, whichever is in the best interest of Oregon Tech.
